Re: 2021 Village and Town Elections

Dear Governor Cuomo:

We are about to enter into village election season and town primary season where our members who are village and town justices and who are up for reelection will be required to go door to door to collect signatures on nominating petitions. You can appreciate the danger that this will pose of exposure to the Corona virus.

We ask that you take decisive action by executive order, as you did with last year's local elections, so that these nominations and elections may be conducted safely.

Respectfully yours,
